The size of the back cushions is 50X50 cm. The size of the small cushions is 40x40 cm.

## MATERIAL & CONSTRUCTION

Seat and back frame made in solid beech wood. Back frame is covered with coldfoam filing and wadding. Seat is made with zig-zag springs, felt, cold-foam and wadding. The module is upholstered in high-quality textiles, with a thin lining of down underneath. Modules are kept together with connecting metal brackets.

Different upholsteries may have different looks, and some fabrics may wrinkle slightly around the curved seat.

## CARE & MAINTENANCE

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
